## WHAT IS WHISK'D AWAY WITH LINDSAY?

It's a curated day trip that includes food, shopping at local businesses, and some other fun surprises along the way!

“What an amazing concept Lindsay has created!! Her visits are always so popular and all of her attendees are amazing!! We love being part of her tours! ## WHAT HAPPENS IF WE STOP AT YOUR BUSINESS?

Our groups typically consist of 12-15 individuals eager to explore new local small businesses. Many of our guests are repeat customers, and our vendors see a lot of word-of-mouth advertising after a Whisk'd Away Adventure!

We find that businesses see the best return from our visit if they engage with our guests. Tell them the story of your business, explain your business offerings, etc.

## DOES IT COST ME ANYTHING?

There is no charge to become a stop along a Whisk'd Away Adventure! All we ask is that you provide a small swag item for our guests when they come to visit you. This could be as simple as a bottle of water, a wrapped chocolate, or an out-of-season stock item.

“We really enjoy having Lindsay and her Whisk'd away ladies at the bakery. We love the challenge of coming up with new topics to share with the group. Everyone is really great to deal with and it looks like a lot of fun. What an amazing way for us and other businesses to showcase our local items and share our passion with others. We really appreciate the support Lindsay has shown to our little bakery.”

“We love that Whisk'd Away with Lindsay has chosen Twig to be a stop on their Camrose tour more than once! This ingenious idea to bring a van load of ladies to our community has benefited so many of our local shops and we are always grateful! The groups are always a pleasure to have in store and Lindsay is such a nice person to plan with :)”

- LINDSAY ANDERSON

“I love having Lindsay bring her groups through The Lefse House. It's so nice to have new people, who may otherwise not choose our location, to come in and find out, not only do we have delicious food, offer a great lunch menu, but it's a very inviting atmosphere. Lindsay is always such a great host and remembers things even when I forget. She's helping the small businesses reach people in ways we may not otherwise be able to. Thanks so much Lindsay!!”
